WILDLIFE
SOCIETY
2015
WILDLIFE
TAXA-
DERBY

Announcement:

The San Francisco Bay Area Chapter of The Wildlife Society does hereby challenge its sister Western Section professional and student chapters (and professional/student joint ventures) to a wildlife bioblitz (hereby: "Taxa-derby") across the Western Section's reaches (California, Hawaii, Nevada).

Rules:

1. The Taxa-Derby will extend between 12:00 AM through 11:59 PM Sunday, April 19.
2. Each chapter may organize as many Teams as they wish to canvas as much territory as possible.
3. Teams may move between locations throughout the day; at each location, Teams must record their survey location, start/stop times, and all species observed.
4. At the conclusion of the Taxa-Derby, each Chapter will compile and submit final species lists for (a) their individual team(s), and (b) their Chapter.
5. Team(s) and Chapters will be scored based on the total number of species observed.
6. Definition of a wildlife 'species' includes formal vertebrates: fish, amphibian, reptile, bird, and mammal species; an unidentified genus (i.e. *Peromyscus* sp.) will be counted once, but sub-species will not be counted.

Winner:

Bragging rights will be granted to the Chapter/Team(s) with the greatest number of species.

Additional bragging rights will be granted to the Chapter/Team(s) with the (a) most number of non-bird species, (b) most species + fewest miles traveled, (c) most species + greatest miles traveled, (d) most number of nocturnal species, (e) greatest change in elevation, (f) greatest number of species (percentage of State total), and (g) Chapter with greatest student participation (total # of students).

SUNDAY, APRIL 19 - 12:00 AM through 11:59 PM
